Tavolo Leggera Acrylic Solid Surface Splashback FAQ.

The Material:

Q: What is Tavolo?

A: TAVOLO is composed of acrylic resin and aluminium tri-hydrate with added pigments and stabilisers. Acrylic solid surface is a durable material that is recyclable.

Q: What finish is a Tavolo Leggera Splashback?

A: TAVOLO Leggera Splashbacks have a standard matte finish.

Material Maintenance:

Q: What is the best way to clean Tavolo on a day to day basis?

A: Use soap and water to wipe clean. Ammonia-based cleaners, such as glass cleaner, are a great way to give the surface a streak-free shine.

The Tavolo Advantage:

Q: What is the advantage of Tavolo over Glass?

A: TAVOLO is a solid, non-porous material that moisture will not penetrate. Tavolo is repairable and comes with a 10-year limited warranty. Glass has visible seams and is non-repairable.

Q: What is the advantage of Tavolo wall tile?

A: TAVOLO has a smooth, non-porous surface and is more impact-resistant than tile. Tavolo Tile Effects look like tiles and eliminate the grout. Decorative wall tiles have grout between the tiles where bacteria can accumulate. The grout must be cleaned frequently and can sometimes crack.

Q: What is the advantage of a Tavolo Leggera Splashback over a Tavolo Custom Splashback?

A: TAVOLO Leggera Splashbacks come in set sizes that can be cut down to fit, making them a more affordable option for Tradespeople and Competent DIY'ers to install.

Hob Options:

Q: What hob can I install with a Tavolo Splashback?

A: TAVOLO Leggera Splashbacks can be installed with all electric hob types, including induction. However, gas hobs must have a minimum clearance of 200mm from the nearest burner to the Tavolo Leggera Splashback.

Tavolo Warranty:

Q: Does Tavolo have a warranty?

A: TAVOLO comes with a limited 10 Year Warranty. Terms and Conditions apply.
